

**IT'S YOUR LIVER!  
YOU'RE BILIOUS,  
HEADACHY, SICK!**

Don't Stay Constipated with Breath Bad,  
Stomach Sour or a  
Cold

Enjoy Life! Live: Your Liver and Bow-  
els at Night and Feel  
Fine

To-night sure! Remove the liver and  
bowel poison which is keeping your head  
dizzy, your tongue coated, breath offen-  
sive and stomach sour. Don't stay bil-  
ious, sick, headachy, constipated and full  
of cold. Why don't you get a box of  
Cascarets from the drug store now? Eat  
one or two to-night and enjoy the nicest,  
gentlest liver and bowel cleansing you  
ever experienced. You will wake up  
feeling fit and fine. Cascarets never  
gripe or bother you all the next day like  
cascades, salts and pills. They act gently  
but thoroughly. Mothers should give  
cascarets, sick, bilious or feverish children  
a whole Cascaret any time. They are  
harmless and children love them.—Adv.

HAPPENINGS OF INTEREST FROM  
DIFFERENT SECTIONS

The Catholic bazaar recently held in  
Shelburne netted nearly \$700.

Mr. and Mrs. John B. Cook of Green-  
boro celebrated their 50th wedding an-  
niversary Nov. 13.

A Montpelier seminary club, composed  
of 12 members, has been organized at  
Grassmount, U. V. M.

Rev. C. C. Adams, formerly of Essex  
Junction, was installed Wednesday even-  
ing as pastor of the First Congregational  
church of Burlington.

Mrs. Harmon Prior observed her 95th  
birthday anniversary Tuesday at her  
home in Shelburne. She has been  
totally blind for a number of years.

Miss Clara Johnson, a registered nurse,  
connected with the Brattleboro Mutual  
Aid association in 1914, was one who  
sailed with the second Harvard unit for  
the war zone Wednesday.

Three tons of Thanksgiving poultry,  
the smallest amount in years, was  
shipped from Vergennes Tuesday. Tur-  
keys brought from 25 to 30 cents per  
pound, chickens 15 to 18, and fowls 13 to 14.

Ernest L. Nolin, who fell from a roof  
in Brattleboro two weeks ago and broke  
two vertebrae, is in a very serious con-  
dition in the Melrose hospital. Parts of  
the vertebrae were wired together, but  
there were some pieces which could not  
be replaced.

Oscar Elias has contributed a valuable  
relic to the war collection at the Har-  
vard Memorial building. It is an old-  
fashioned pepperbox pistol, which was  
carried in the war of 1812 by his grand-  
father's brother, Daniel Gilson, whose  
initials are carved on the stock.

Hubert Brown of Newfane was severely  
cut upon both legs Wednesday when a  
circular saw accidentally fell off a revolv-  
ing shaft. The saw was being used in a  
field and Brown was walking across an  
adjoining field. The saw rolled and  
bounced along the ground until it struck  
Brown below both knees.

Mrs. Samuel Whalley, who was 90  
years old Monday, does all the housework  
for herself and husband at their home in  
Charlotte, and on her anniversary day  
wore a dress which she had just com-  
pleted for herself. Her husband, who  
will be 90 years old in March, is very  
active, and it is no uncommon sight to  
see him climbing ladders about their  
home.

**Auto Turned Over Twice.**

Charles Jones of Jamaica is in a se-  
rious condition at his home, suffering  
from a severe scalp wound and probably  
internal injuries as the result of an au-  
tomobile accident Wednesday evening at  
7 o'clock. Five others who were in his  
car with him were not seriously injured.

Mr. Jones was in his barn when a  
party of five hunters whose car had broken  
down asked him to take them to the  
West Townshend station in time to catch  
the 7:10 train north. The party consisted  
of Ernest Cobb, C. L. Sargent and his  
two sons, Eric and Evan, all of Jamaica,  
and a Mr. Williams of Connecticut, a  
guest at the Sargent home.

After Mr. Jones had agreed to aid  
them, the party started. As the car be-  
came the descent of the so-called Windham  
hill near the George Lawrence house the  
brakes gave out and the car attained a  
terrific speed. Mr. Jones turned it  
against the bank on one side to stop it  
and the automobile turned over twice,  
throwing all the party out.

Mr. Jones was the only one seriously  
hurt. He had an ugly scalp wound and  
was injured about the body. He was  
suffering such pain Wednesday night that  
no thorough diagnosis of his condition  
was made, but Dr. F. L. Osgood of Town-  
shend, who was called to attend him, is  
satisfied that several of his ribs are  
broken and that he has possibly more se-  
rious injuries.

The car was considerably damaged.

**State Bar Committees.**

The following standing committees  
have been appointed by John W. Gordon  
of Barre, president of the Vermont Bar  
association:

Winchester; C. I. Button, Middlebury; Da-  
vid E. Porter, St. Johnsbury.

On jurisprudence and law reform—W.  
R. Austin, St. Albans; Wallace Batchel-  
der, Bethel; R. E. Healy, Bennington.

On legal history and biography—J. C.  
Sherburne, Randolph; H. A. Black, New-  
port; E. H. O'Brien, Rutland.

On admissions—J. Ward Carver, Barre;  
Aaron Groat, Newport; F. L. Webster,  
Swanton; M. G. Morse, Hardwick; F. G.  
Fleetwood, Morrisville; Guy B. Horton,  
Burlington; G. W. Stone, Vergennes; C.  
V. Poulin, Rutland; C. M. Graves, Ben-  
nington; R. C. Bacon, Brattleboro; David  
S. Conant, Bradford; C. F. Davis, Wind-  
sor; Harry B. Amey, Island Pond.

M. F. Collins observed his 90th birth-  
day anniversary Thursday at his home  
in Rutland. Mr. Collins reads without  
glasses, is vigorous and in excellent  
health. In his life he has had but two  
illnesses, one in 1854 and the other last  
March. He attributes his length of years  
to his moderation of living.

**Haste Necessary.**

The Doctor—Mrs. Brown has sent for  
me to go see her boy, and I must go at  
once.

His Wife—What is the matter with  
the boy?

The Doctor—I do not know, but Mrs.  
Brown has a book on what to do be-  
fore the doctor comes, and I must hurry  
up before she does it.—Christian Register.

**Industrial School Boy Walked 80 Miles.**

Glendon Tutthill, aged 17, a member of  
a well known and highly respected fam-  
ily in Elmore, was brought to Burling-  
ton Wednesday night by Deputy Sheriff  
V. W. Rand of Hardwick, and Thurs-  
day morning was turned over to an offi-  
cer from the Vermont industrial school  
who took him to Vergennes.

Young Tutthill escaped from the school  
last Saturday night and walked to his  
home in Elmore, a distance of about  
80 miles, between the time of his flight  
and Monday night.

When he left the school he was clad  
in a light weight suit of clothes and low  
house shoes, and he had nothing to eat.  
When he reached home his face and hands  
were swollen and blue with cold, and  
he was wet through.

On that day he broke into the express  
office at Morrisville, expecting he said,  
to find something to eat.

The young man was serving a pro-  
bationary sentence at Vergennes. He  
had escaped once before. He had been  
implicated in several cases of burglary  
and was sent down with another boy  
for breaking into the railroad station  
at Roxbury. The officer who brought  
him here said he had a mania for break-  
ing into places, and stealing revolvers  
and ammunition. He will be observed as  
to his sanity.

Why They Gave Him Up.

"Do you see that strong, healthy-  
looking man over there?"

"It was just admiring his physique."

"The doctor gave him up years ago."

"You surprise me."

"Yes. They found they couldn't get  
anything out of him."—Birmingham Age-  
Herald.

**SALTS IF BACKACHE  
AND KIDNEYS HURT**

Stop Eating Meat for a While if Your  
Bladder Is Troubling  
You

When you wake up with backache and  
dull misery in the kidney region, it gen-  
erally means you have been eating too  
much meat, says a well-known author-  
ity. Meat forms uric acid, which over-  
works the kidneys in their effort to  
filter it from the blood, and they become  
sort of paralyzed and loggy. When your  
kidneys get sluggish and clog, you must  
relieve them, like you relieve your bow-  
els; removing all the body's urinous  
waste, else you have backache, sick head-  
ache, dizzy spells; your stomach sour,  
tongue is coated, and when the weather  
is bad you have rheumatic twinges. The  
urine is cloudy, full of sediment, chan-  
nels often get sore, water scalds, and you  
are obliged to seek relief two or three  
times during the night.

Either consult a good, reliable physi-  
cian at once or get from your pharmacist  
about four ounces of Jad Salts; take a  
tablespoonful in a glass of water before  
breakfast for a few days, and your kid-  
neys will then act fine. This famous  
salt is made from the acid of grapes and  
lemon juice, combined with lithia, and  
has been used for generations to clean  
and stimulate sluggish kidneys, also to  
neutralize acids in the urine so it no  
longer irritates, thus ending bladder  
weakness.
